Sorry for another follow-up email, but in my message below, I inadvertently omitted information for the Forest. Please note that the area coordinator for the Forest is Ann White (919-932-3088), so please contact Ann if you are interested in helping out with luminaries in the Forest.

Thanks

Tim Watkins

Subject: Luminary Night Reminder and More Information

Hello Neighbors -

Luminary Night is just around the corner! Flyers with information about the event are being distributed, but I am sending this message to pass along the information via email as well.

This event would not be possible without the help of volunteers. There are several ways to help out including:

Folding luminary bags - This is an important job and saves much time. Contact your area coordinator if you can help this week.

Preparing the luminaries - Each area will meet at their designated meeting place (see below) at 2:00PM on Saturday, December 18th (or 19th in case of rain). This is a fun event for the whole family. If you have a pickup truck, bring it to your meeting place.

Lighting luminaries - Start lighting at 5:00PM on Saturday, Dec 18th.

Picking up luminary bags - Please get out on Sunday, December 19th and pickup the luminary bags in your area.

If you are willing to help out in any way, please contact your area coordinator ASAP. I know the coordinators would appreciate all the help they can get.

If you have not provided your donation to the Ronald McDonald House, but would like to do so, please submit your donation to your area coordinator or online. It's never too late!

Once again, Domicile Realty is hosting a **community get together starting at 6:00 PM at the Bean and Barrel**. If you will be attending the gathering, please **stop by Domicile Realty between 2 PM and 5 PM on Saturday, December 18th** to pick up drink coupons. Thanks to Domicile for their continued support of this event!

Most importantly, enjoy the evening on December 18th and know that we are supporting a very worthy cause during this Holiday Season!!!
