I'd like to thank the Social Committee and the rest of the volunteers who helped make Boo Fest such a successful event! We had a great turn-out, gorgeous weather, and a lot of fun.

The Social Committee hosts four events per year (in addition to the monthly TGIS). It is typically the same group of just a few people who run all four of these events every year. I'd like to make a call for volunteers for more neighbors to join the committee and help run our events. It's a fun group of people who meet monthly, typically, and it would be great to have more help. Our next meeting will be after the holidays, in January or February, to begin planning our first event for the year, the Easter Egg Hunt.

Please let me know if you would like to join or have any questions about joining.

Thanks!
Shannon Leslie
