Subject: Talis Management Holiday Hours

Dear Homeowner;

On behalf of Talis Management Group we wish you and your family a wonderful holiday season. Autumn Thomas and I and our whole Talis team appreciate the opportunity to serve you throughout the year. In these difficult times it is inspiring to see the many Board members and other volunteers we work with who take time out of their schedules to work for the best interests of their neighbors. Regardless of which community you live in, I can honestly say that I respect and congratulate your Board members for their efforts.

During this holiday period Autumn and I will be taking time off to enjoy our families. Beginning Friday, December 17, we will alternate days off through the end of the year. Each business day one of us will be at the Talis offices and one will be out. If you cannot reach me (878-8787, ext. 237) please call Autumn (ext. 261) and vice versa.

Talis offices will be closed for the holidays on December 23 and 24 and on January 3. Talis does have an emergency on-call manager available at all times (nights, weekends and holidays) when Talis offices are closed. **The on-call manager can be reached at 878-8787, ext. 234.** Please leave a message with your name, phone number, address, community and the nature of your emergency and a Talis manager will return your call. Please remember to restrict after hours calls to emergencies only. Of course anything that involves serious personal injury should be reported to 911.

Best wishes for a wonderful holiday season, Joel Strangis, Community Manager,
Talis Management Group
