

GOVERNORS VILLAGE SOCIAL COMMITTEE REQUEST

The Planning for the 2012 Social Events for the Governors Village Community is underway. There are four major events each year that the Committee sponsors starting with –

1. Easter Egg Hunt in April
2. Firemen's Breakfast and 5K run in May in coordination with the pool opening
3. Annual Pool BBQ Party in August
4. Boofest in late October.

From years of experience the committee has streamlined the prep work to ensure each events success by working in teams to minimize each member's time commitment. Every year there is some attrition to the Social Committee Membership due to moves or changes in member's schedules.

The committee could use an infusion of new members again this year. The commitment of time can be minimal by volunteering to work with a team on any one of these events. It could be as simple as keeping glasses filled with refreshments on the day of an event or checking off names that have rsvp'd. These volunteers are invaluable to each events success.

If you've enjoyed being part of these social events over the years or you are a new resident in our community, please contact Dominique Gignac at dgignac@earthlink.net or 968-6933 and volunteer. The Social Committee hopes to attract young and old – male and female volunteers from all the **neighborhoods and townhomes**. We welcome those who just want to help a bit and those with new ideas who really want to get involved.

IT'S A FUN GROUP – AFTER ALL WE'RE PLANNING PARTIES – WHAT COULD BE MORE ENJOYABLE! TAKE THE TIME TO SEND THAT EMAIL TO DOMINIQUE. A FEW HOURS OF YOUR TIME WILL BE INVALUABLE IN KEEPING THESE EVENTS PART OF THE GOVERNORS VILLAGE TRADITION.
