Committee Reports:

Website (governorsvillage.org) -- Susie and James continue to share the website posting duties, including monitoring the listserv for items of interest.

Welcome Program (governorsvillage.org/about/welcome/) – Terry's report on the welcome program: During 2014, our community had 37 properties change ownership:

- 10 in the Village
- 10 in the Park
- 2 in the Forest
- 3 in the Lake

We also welcomed 2 renters in the Village.

One of the properties, the house in the Village that had the serious fire changed ownership twice this year. After reaching agreement with the insurance company, the house was torn down to the foundation and rebuilt. The rebuilt house was sold and the new homeowners closed in December.

The Welcome Package is currently comprised of 5 items:

1. Governors Village Welcome Letter
2. Talis Welcome Letter
3. Talis Homeowner Information Form
4. TGIS Schedule
5. Summary Rules & Regulations

Photography and Event Coverage – The final event of 2014, Lighting of the Luminaries and Santa's visit was covered and pictures were posted on the website. Santa greeted many children and they each received a candy cane. They were able to let Santa know their holiday wishes.

We were approached by Governors Living magazine asking if we would share some photos of Santa's visit for publication. After some discussion we concluded that we could not provide pictures of any children but we did send pictures of Santa, the firemen and the fire trucks.
